

# Assembly Instructions for TV Trolley Stand

Thanks for choosing our stand. This stand was designed for mounting flat panel televisions weighing up to 60 kg. The height of TV can be easily adjusted. The integrated wheels provide ease of movement.

**Safety Warning:** If you do not understand these directions, or have any doubts about the safety of the installation, please call a qualified contractor. Check carefully to make sure there are no missing or defective parts. Never use defective parts. Improper installation may cause damage or serious injury. Do not use this product for any purpose that is not explicitly specified in this manual. We can not be liable for damage or injury caused by incorrect mounting, incorrect assembly, or incorrect use.

Required Tools: Phillips screw driver.
