# i3TOUCH ES

## Quick start guide

# Thank you.

Enjoy the purchase of your i3TOUCH interactive touch display.

# Lets see what's in the box.

i3-Technologies is conscious about the environmental impact of the products that we produce. Therefore we would like you to support us in this mission by disposing all packaging according to any local regulations.

To check if we packed your product correctly, please verify if all these items are present:

- 1x HDMI cable (3m)
- 1x Touch cable (3m)
- 1x EU Power cable (3m)
- 1x User guide
- 1x Remote control
- 2x Passive pens
- 1x Wall mount (separate)

## Is something missing or does it look damaged?

We're so sorry, please contact our support service on [service@i3-technologies.com](mailto:service@i3-technologies.com), or contact your local reseller.

# Time to set things up.

Use your favourite applications during meetings.

Connect the **power cable** to the power socket located at the back of the display.

Once you've got the power cable connected **switch on the power supply** by turning the button to the "I" position.

On the **front** you'll find the power button.

# Let the menu guide you.

Use your favourite applications during meetings.

Clicking the hamburger button will make the menu appear with a number of options:

1. Exit the menu and navigate back.
2. Navigate to the homescreen.
3. Start the Whiteboard application.
4. Start the Present application.
5. Work with Annotate and make annotations on everything that appears on the screen.
6. Switch between the input sources of the display.
7. Adjust volume of the display.

# Start writing.

Our passive pens have been designed to write as comfortable as possible during long-term usage. Some more things you can expect:

## Good things come in small packages

In the display packaging you can find two pens and three replacement pen tips included with your display.

## It's magnetic

Never lose a pen again thanks to the magnetic pen-holder located at the bottom of the screen.

## No batteries needed

Thanks to the passive nature of our pens, you'll never have to worry about changing a battery again.

## Soft, natural writing

The passive pen has a soft tip for smooth and pressure-free writing.

# BIZ & EDU Studio.

All our i3TOUCH devices are available with a BIZ or EDU Studio, bringing ease of use and simplicity to your desired workspace. You can choose which studio you want to use at first boot or through the settings menu.

## BIZ STUDIO

The BIZ studio equips the display with a stylish background and extends the user interface with an **extra configurable button**.

You can customize the link and label of this button through the settings menu or in the startup wizard at first boot.

## EDU STUDIO

The EDU studio equips the display with a colorful, fun background and extends the user interface with an **extra button for i3LEARNHUB**.

# Start whiteboarding.

The whiteboard button opens an interactive whiteboard that allows you to take notes, make drawings or facilitate workshops. The output can be shared very easily with all participants.

## WHITEBOARD

1. Tap the whiteboard button.
2. Start writing in the active tab.
3. Activate the writing options by tapping the eraser.

# Start presenting.

Content from other devices can be streamed to the display with a push of a button. Also source switching to another input channel is just a click away.

## PRESENT

1. Tap the present button.
2. Choose your platform of choice.
3. Follow the setup guide on screen.

# Important warranty information.

Our i3TOUCH ES devices are equipped by default with a 3 year warranty. If you however have acquired the interactive display for educational purposes, this warranty can be extended to 5 years, upon registration

## WARRANTY EXTENSION FOR SCHOOLS

You can register your product for an extended warranty if you are an educational institution. If you are a corporate institution, please contact your reseller.

Please note that the warranty extension must be registered **within 30 days** after delivery of the i3 product through the form found on this page:

[i3-technologies.com/en/get-support/warranty/](https://i3-technologies.com/en/get-support/warranty/)

# Legal information.

## EU DECLARATION OF CONFORMITY

Hereby we,

Manufacturer: i3-TECHNOLOGIES N.V.  
Address: Nijverheidslaan 60, 8540, Deerlijk,  
BELGIUM

Declare that this Declaration of Conformity is issued under our sole responsibility, and that this product:

Type designation: i3TOUCH ES75, ES86  
Type description: Interactive Flat Panel Display

Complies with the relevant Union harmonized legislations:

2014/30/EU EMC – Electromagnetic Compatibility Directive  
2014/35/EU LVD – Low Voltage Directive  
2011/65/EU RoHS – Restriction of Hazardous Substances in  
Electrical and Electronic Equipment

## FCC VERIFICATION OF CONFORMITY

Hereby we,

Manufacturer: i3-TECHNOLOGIES N.V.  
Address: Nijverheidslaan 60, 8540,  
Deerlijk, BELGIUM

Declare that this Verification of Conformity is issued under our sole responsibility, and that this product:

Trademark: i3  
Type designation: i3TOUCH ES75, ES86  
Type description: Interactive Flat Panel Display

Has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The terms HDMI, HDMI High-Definition Multimedia Interface, and the HDMI logo are trademarks or registered trademarks of HDMI Licensing Administrator, Inc. in the United States and other countries.
